

# 10<sup>th</sup> RUHUNA INTERNATIONAL SCIENCE & TECHNOLOGY CONFERENCE

**January 18, 2023**

*Advancements in multidisciplinary scientific research toward  
environmental sustainability*

## KEYNOTE SPEAKER

**Prof. Gomika Udugamasooriya**  
Associate Professor,  
University of Houston, USA

## IMPORTANT DATES

### Initial Submission Deadline

**October 07, 2022** (Extended to October 31, 2022)

### Notification to Authors

**November 15, 2022** (Extended to November 22, 2022)

### Camera Ready Submission

**December 01, 2022**

## KEY AREAS

- Agriculture
- Biochemistry & Biophysics
- Botany
- Chemistry
- Computer Science & ICT
- Ecology
- Engineering
- Environmental Science
- Fisheries & Aquaculture
- Mathematics & Statistics
- Medical & Health Sciences
- Modeling & Simulation
- Molecular Biology & Biotechnology
- Nanotechnology
- Quantum Science
- Oceanography
- Physics & Geophysical Science
- Veterinary Science
- Zoology

## PLENARY SPEAKERS

**Prof. Buddhi Marambe**  
Senior Professor,  
University of Peradeniya, Sri Lanka

**Prof. Chandima Gomes**  
Distinguished Professor,  
University of the Witwatersrand, South Africa

Conference Mode:- Virtual
